

16th November 2016

Dear Parents / Carers,

We would like to invite you and your child to a special 'Christmas Dinner' on Tuesday 6th December. The idea was put to us by one of our pre school mums who is a qualified chef with current food hygiene certificates who is donating her time, and also providing the food to make this possible! Staff will also be donating their time to help with this event.

The lunch will be served at 12.30pm, and you would need to be at Pre School by 12.15.

We do need to have numbers of children & adults attending so please let us know if you would like to come by returning the form below by Friday 25th November at the latest. Unfortunately we will have to limit this to one adult per child for food.

Hope to see you there! Let's get festive!!
